

College of Liberal Arts & Sciences

Degrees offered: B.A., B.G.S., B.S., Minor

College of Liberal Arts & Sciences | A major roadmap is coming soon for each department!
| clasdean@ku.edu | clas.ku.edu

FRESHMAN

- Take a small class your first semester: UNIV 101 or a First-Year Seminar are good options. First-Year Seminars help you meet KU Core Goal 1.
- KU Core Goals 1 and 2 help you strengthen your skills in written and oral communication, quantitative literacy, and critical thinking.

Meet with your academic advisor every semester.

Sign up for a tutor group through the Academic Achievement and Access Center.

Many students double major or pursue a minor.

You can earn certificates in Global Awareness, Service Learning, Research Experience, and other areas.
certifications.ku.edu

30
CREDITS

- Declare your major by the end of sophomore year!

- Goal 3 of the KU Core allows you to develop a background of knowledge across fundamental areas of study.

SOPHOMORE

60
CREDITS

Work closely with your advisor to develop a coherent course of study that reflects your own intellectual interests.

Complement your studies with an internship. Visit the University Career Center to learn more.

JUNIOR

- This is a good year to meet KU Core Goals 4 and 5—check out study abroad and service learning opportunities.
- We live in a global society; study a language!

Consider applying to graduate school or pursuing a Fulbright Scholarship for a year abroad after graduation.

Did you know the University Career Center has a closet full of interview clothes?

It's always a good idea to go to faculty office hours.

Get involved in research through the Center for Undergraduate Research.
ugresearch.ku.edu

90
CREDITS

- Your department may have a capstone course for seniors that meets KU Core Goal 6.

- Departmental honors may be available in your department; you can complete an honors thesis or project.
